EXPERIENCE

FULL-STACK DEVELOPER at Refresh Bubbles

Nov 2024 - Present

Responsible for designing the UI/UX of software, developing both the front-end and back-end, and implementing integrations with ERPs.

SALESPERSON at Worten

Set 2023 - Feb 2024

Responsible for selling products, providing customer support, and assisting with store operations.

FULL-STACK DEVELOPER at TAW Software

Fev 2021 - Aug 2021

Responsible for developing both the back-end and front-end of several key features in a SaaS platform.

EDUCATION

LITERATURE, CULTURE & LANGUAGES at UNI PORTO

Out 2021 - May 2022

Interrupted.

Through my degree, I learned to research more selectively and accurately, deepened my knowledge of English and French, and improved my Portuguese vocabulary.

IT MANAGER & DEVELOPER at AE Diogo de Macedo

2019 - 2021

In this course, I learned the fundamentals and deepened my knowledge in programming, databases, communication networks, and operating systems.
